BECOME A SPONSOR OF THIS MEANINGFUL EVENT!

In our small state with just over a million people, we are facing a crisis of unseen proportions: Over 2,400 individuals and families in our community are experiencing homelessness. With a critical lack of affordable housing stock and shelter beds consistently reaching capacity, more and more of our neighbors are finding themselves living outside, without a safe place to call home.

In persistent efforts to stifle this crisis, the Rhode Island Coalition to End Homelessness (the Coalition) has been working since 1988 to bring together lawmakers, providers, and community members, who collaboratively seek solutions to prevent and end homelessness in Rhode Island.

As valued members of our community, we are asking: **Will you join us?**

This November, the Coalition will be hosting our annual State of Homelessness event, which is an opportunity for us to gather stakeholders and partners statewide and present the current data around homelessness, emphasizing the urgent need for advocacy and systems change.

WHY SHOULD YOUR COMPANY OR ORGANIZATION SPONSOR OUR EVENT?

- ✓ It shows your **concern and support** for the more than 2,400 Rhode Islanders experiencing homelessness.
- ✓ It helps us diversify our funding streams to better support our work to make systemic changes to the homelessness system.

We are seeking sponsors at all levels that want to showcase their concern and support for the thousands of Rhode Islanders experiencing homelessness, and help us make this our most impactful event yet!

To become a State of Homelessness 2025 sponsor, please fill out the form on the following page and email it to: kerri@rihomeless.org

Your sponsorship makes a difference.

Thank you for helping to end homelessness in Rhode Island!

With gratitude,
